New Patient,

Welcome to Ear, Nose and Throat Associates of East Texas. We look forward to helping you with your medical problems.

Enclosed is a detailed Medical History form. Your health is very important to us and these questions will help us help you. Completion of this questionnaire will enable us to better serve your health needs.

We do participate in most insurance programs and are participating providers for Medicare and other government programs. Payment for office services is due at the time of your visit. You will be required to pay any deductible, co-pay or noncovered service fee as outlined by your insurance policy. Please contact your insurance agent or employee representative if you do not understand the benefits of your policy (such as co-pay, deductible, pre-existing conditions and covered procedures). Please bring your insurance card and photo identification with you to your appointment.

Your initial consult may only require a physician examination and detailed history. However, a full evaluation may require a hearing test, CT-scan or an endoscopic exam. These tests do represent additional charges.

Our office hours are 8:00 a.m. to 5:00 p.m. Monday through Friday (except holidays). The office phones are answered 24 hours a day, including holidays and weekends, for emergencies.

Your appointment is at _____ o'clock on _____. Please call if we can help you with the questionnaire or if you need to reschedule your appointment.

We look forward to meeting you,

Steuart L. Heaton, M.D.

Troy A. Callender, M.D.

Howard S. Garb, M.D.

Michael R. Lewis, M.D.
